BOLTERS IN KENTUCKY.

Gold Standard Pioneers Call a State Convention.

Louisville, July 28.--The gold standard Democrats of Kentucky will hold a State convention on Aug. 20, in this city, to perfect a thorough organization of their forces and select delegates to the National convention decided upon at the recent conference held in Chicago. Mass meetings are to be held in the various counties in the State on Aug. 15, to select delegates to the State Convention.

This was decided upon at a conference at the Board of Trade Hall to-day, at which former Democrats from all over the State were present. Chairman George M. Davis, in calling the meeting to order, stated that in the opinion of sound money Democrats of Kentucky, the real party had no organization, either in the State or in the country, and the passing business before them lay in the formation of a thorough organization in Kentucky. Prior to the State Convention the machinery of the party would be conducted by a committee appointed from the congressional districts.

Charles R. Long, who until recently was Chairman of the regular Democratic State Central Committee, was chosen chairman, and J. Q. Ward, of Bourbon, Secretary. A call of the congressional districts showed that with the exception of the Second all were represented.

The following Executive Committee was appointed to act until the convention of Aug. 20.

First District, R. T. Tyler, of Fulton; Second District, passed; Third District, J. C. Sims, of Warren; Fourth, John D. Wickliffe, of Nelson; Fifth, Thomas W. Bullitt, Louisville; Sixth, E. R. H. Elliston, of Grant; Seventh, John T. Shelby, Fayette; Eighth, W. W. Stephenson, Mercer; Ninth, Charles D. Pearce, of Mason; Tenth, Nelson Trimble, Montgomery; Eleventh, J. M. Unthank, Bell.

George M. Davis, of Louisville, was made chairman of the Executive Committee.

R. T. Tyler, of Fulton, was chosen national committeeman.

After issuing a call for the State convention the conference adjourned.

CAPT. STONE QUILTS THE RACE.

No Longer a Candidate for Congress in the First District.

Murray, Ky., July 27.--The political sensation of the day was the withdrawal of Capt. W. J. Stone from the race for Congress in the joint speaking here this afternoon. He had told no one of his intentions till the latter part of his speech when he closed by saying he would sacrifice himself for his party's interests and was no longer a candidate for congress.

This leaves three candidates before the primary election September 5. Chas. K. Wheeler of Paducah, and Henry George, of Mayfield, are for silver and John K. Hendrick, for the gold standard. The race will be close between Wheeler and George, with Hendrick third in the contest.

Captured a Wild Man.

Akron, O., July 21.--A genuine wild man has been captured at Northampton Center, a village four miles north of here. The man is one John Kinney, who was once an intelligent and highly educated man.

For several weeks he has been living in the woods, subsisting on fruit and vegetables, secured by midnight visits to neighboring farms. Last Saturday he entered the village, attired in a ragged pair of trousers that reached only to his knees.

His appearance was horrible. A coarse, shaggy beard grew over his face and his light colored hair was matted and full of burrs and dirt. He wore no hat, and his body, from the waist up, was perfectly bare, and tanned as brown as a piece of sole leather. His legs and feet were also bare and had been scratched by briars, until the blood oozed from a dozen ugly sores. The bottoms of his feet were calloused hard as bone.

A constable captured the wild man and he has been taken to the county infirmary. He is now violently insane, and has to be kept in a padded cell.

Young Man Suicide.

Nelson Metcalfe, a young man who lived at Adams' Station, four miles South of Guthrie, committed suicide Tuesday about noon. His father had employed him to plow in a tobacco field and he worked till dinner time. When he failed to come to the house for his meal, his father went in search of him and found him hanging by a bridge rein to a peg in the barn. He was quite dead when found. No cause was assigned for the act.

Lexington Sensation.

Lexington, Ky., July 27.--A sensation has been created by the kidnapping of little Nellie and John B. Thompson by their mother, Mrs. Lizzie Thompson. Since her separation from her husband, Harry B. Thompson, Mrs. Thompson has been living in Cincinnati.

CREAM OF NEWS.

IF IT IS NEW AND TRUE THIS COLUMN HAS IT.

Crushed By the Cars--Died of Lock-Jaw Bank Cashier Elected--Negro Drops Dead--Base Ball--Telephone Line.

Crushed by the Cars.

George Bird, a negro man hailing from Ringgold, Tenn., was run over by the Ohio Valley North-bound freight at Cerulean Springs, Tuesday evening, and so badly crushed that the chances for his recovery are very poor. Bird was "beating" his way and when the train pulled out from the station he attempted to crawl upon a brake beam, but lost his hold and fell directly under the wheels. One leg was mashed to a jelly and the negro's body was also horribly crushed. Dr. Miller, of Princeton, was telegraphed, and on arrival amputated the crushed leg and rendered other necessary surgical aid, but it is believed that Bird is fatally hurt.

Dick DeTreville's Good Luck.

Mr. Geo. P. Street having declined to accept the position of Cashier of the Bank of Hopkinsville, the Board of Directors went into another election yesterday and Mr. Richard H. DeTreville was chosen. The new cashier has been for a number of years book-keeper for the Crescent Milling Co., and is well qualified for the position to which he has been elected. He stands high in the business and social circles of the city and his selection will prove satisfactory to all who have business with the bank. He will enter upon his duties next week.

A Record Breaker.

Dan Q, a young pacer that has suddenly sprung into prominence, having lowered the record for pacing on a Northern-Illinois track, this week, when he made a mile as a three-year-old pacer in 2:11, was sired by Simmocolon (2:13), the chestnut stallion that attracted so much attention several years ago at the Hopkinsville Driving Park when in training there. Simmocolon was bred by the late Noe Dills, and later on was sold to Northern parties at a big price by Mrs. Anna Penn Dills, of this city.

The Games This Week.

Hopkinsville won from Washington in the game of ball Monday afternoon, the score being 13 to 4. It was the prettiest game of the season played here and was witnessed by a large crowd. On Tuesday the home boys did not fare so well, being shut out. The score was: Washington 7, Hopkinsville 0. Owensboro was booked to play in this city Wednesday and again yesterday, but that club failed to show up, and the games were, of course, declared off.

Lee Johnson Victim.

Attorney D. L. Johnson bought some chickens from a white boy Wednesday and sent them to his house. The boy returned and collected for the chickens but subsequently Mr. Johnson learned that they were not taken to his house at all, but sold to another party. He is now trying to decide what to do with the boy about it.

Scott the Right Man.

Walter Scott, the negro arrested in this city by Chief Fritz, was taken to Eddyville Monday afternoon. While enroute he admitted that he was the right man. He was placed behind the prison walls to complete his sentence. Chief Fritz gets \$100 reward offered for Scott's arrest and return to the institution.

The Fairview Telephone Line.

The telephone line to Fairview is now being constructed and will be opened for business in two or three weeks. It will be remembered that the guarantee fund required was raised some months ago and the Fairview people have been somewhat impatiently clamoring for connection with the outside world.

The Excessive Heat.

Excessive heat for the last three days has put everybody to cursing the weather. Instruments about town have registered from 95 to 104 according to location. In the Kentuckian office the highest point reached was 96 yesterday afternoon. No end of the hot spell is yet in sight. Hicks says the spell will be the hottest for 25 years.

Lock-Jaw Killed Him.

William Clark, the nine-year old son of Rev. C. H. Clark, pastor of the Olive Street Baptist church, (colored) of Nashville, died Monday at Canton from lock-jaw, caused by having his foot pierced by a splinter. The body was brought to this city and interred Tuesday.

Farm Hand Drops Dead.

A negro man whose name we were unable to learn, dropped dead from heart trouble while at work on a farm near Kenedy Tuesday afternoon.

NO FLIES ON HIM.

Al Berry Says Kentucky Will Go 40,000 For Bryan.

Washington, July 29.--Col. Albert S. Berry, the tall poplar of the Licking, dropped in on the Democratic Congressional Campaign Committee just before starting for home. He wanted to tell the boys how it looked in Kentucky.

A reporter for one of the local papers who was present then quotes the gallant Colonel:

"Kentucky will give Bryan 40,000 majority. I never saw so much enthusiasm manifested in a political cause. The people of Kentucky are for free silver."

"The people sincerely believe that free silver will relieve them and there is no arguing this belief out of their heads. I live in one of the richest portions of God's creation, but the farmers can't get anything for the produce they raise."

"I favored the coinage of the silver signiorage as the best means at that time of quieting the free silver agitation. I urged Carlisle to consent to that and he would have done so had the President not opposed it. The Administration was expected to make some concession to silver. It did not, and now the silver Democrats are in power and they are not asking anything from the Administration."

"I am a Democrat and always support my party. A majority has decided the candidates and platform, and I am with them. I shall do everything in my power to elect Bryan."

This talk, of course, met the hearty approval of the committee and Col. Berry will be set down in the column of Kentucky Democrats who are against the third-ticket movement.

Will Challenge Debate.

Washington, D. C., July 28.--It is regarded as almost certain that the Democratic National Committee will select Washington for its principal headquarters, and will have a branch in the west. Senator Dubois of Idaho, it is expected, will be a member of the National Executive Committee, and will have charge of the western end of the campaign. He is one of the most skillful politicians in the country and has great influence among the western silver men.

It is the intention of the Democratic managers not to recognize any issue except the money question in the campaign. They intend to keep that steadily to the front.

They will put a great force of speakers in the field, and all the bolting Republican senators and representatives intend to take the stump.

A challenge will be issued for a joint debate on the financial question, according to the following schedule: Teller against Sherman, Towne against Reed and Bryan against McKinley.

It is said that Senator Lindsay, of Kentucky, has given assurance that he will support the Democratic ticket, notwithstanding his gold views.

A Brilliant Affair.

Mr. and Mrs. G. Howard Stowe, of Julien, entertained a number of their friends Wednesday evening in their usual happy style. Elegant refreshments were served and this together with music added much to the enjoyment of the occasion. A large delegation from this city attended and were highly pleased. Following is a list of those present: Misses Georgie Gregory, Addie Brodie, Mattie Sue Browning, Laura Claggett, Lizzie and Mattie Ford, Maggie Boyd, Cora Blackwell, Miss Settle, Vivian Jones, Lucy and Annie Nause, Miss Caldwell, Allen, Fannie Wash, Evie Nash, Ora and Berta Baker, Mallie Richards, Gertrude Crenshaw, Tony Ware, Mary Clardy, Hettie Knight, Miss Shropsherd, Katie Muselman, Mary Collins, Carrie King, Lelia Barrow, Taylor Edwards, Meadames Stowe, Clardy, Baker and Henry; Messrs. Death of John W. Tutt.

Trenton, July 28.--Mr. John W. Tutt, a well-known farmer, died at his home, five miles south of this place, last night, after a long illness. He was about 50 years old and some years ago was engaged in business here.
